**ORDER:**

In the GO 1<sup>st</sup> read above, orders were issued according permission to Joginpally B.R. Educational Society, 6-3-248/3, Road No.1, Banjara Hills, Hyderabad to establish Bhaskar College of Nursing, Moinabad, Ranga Reddy District with an intake capacity of fifty(50) students from the academic year 2008-09.

2. In the letter 2<sup>nd</sup> read above, the Secretary, Joginpally B.R.Educational Society has submitted that their society was accorded permission to start Bhaskar college of Nursing from the academic year 2008-09 with a strength of 50 seats. By the time, they received the copy of the Government order, the admission notification for the year 2008 was issued from Dr.NTR University of Health Sciences. Further, because of the administrative exigencies with regard to their own Bhaskar Medical College, they thought they could start the college from the year 2009-10. As such, they approached the INC for its approval in the year 2009-10. Indian Nursing Council after due conduction of inspection and other formalities granted its approval vide its file No.02/JUL.1/2009-INC, dt.4-7-2009 with intake of 60 seats for the academic year 2009-10. When the society approached Dr.NTR University of Health Sciences for its affiliation of the College of Nursing, they informed that the order stands lapsed as the period of one year granted in the Government order was over and suggested to get the order revalidated from the Government.

3. The Secretary, Joginpally B.R.Educational Society has also submitted that society is having its own 750 bedded Superspeciality Teaching Hospital attached to Bhaskar Medical College. The College of Nursing is having all the requisite infrastructure including faculty, class rooms, hostel buildings, laboratory, library, teaching and non-teaching staff as per the norms. Though Government sanctioned 50 seats, INC after its inspection of the premises was immensely impressed with the facilities provided and recommended for 60 seats.

4. The Secretary, Joginpally B.R.Educational Society has therefore requested the Government to condone the delay and recommend for revalidation of the Government order issued in G.O.Ms.No.288 to enable the society to start the Bhaskar College of Nursing from the academic year 2010-11.

PTO.

5. In the letter 3<sup>rd</sup> read above, the representation dated 10-6-2010 was forwarded to the Chairman, High Power Committee for his remarks in the matter.

6. The Chairman, High Power Committee, Hyderabad in the letter 4<sup>th</sup> read above, has reported that seen from the representation of the Secretary & Correspondent, JBR Educational Society, after issuance of the G.O., the applicant society has approached INC, the INC having conducted inspection and having complied with the other formalities granted approval only on 4-7-2009 and thereafter approached the Dr.NTR University of Health Sciences for affiliation. Thus it is to be seen that having obtained G.O.Ms.No.288, HM&FW (K2) Dept., dt.28-7-2008, the applicant approached INC, INC having inspected the applicant's institution and having followed the other formalities accorded permission only on 4-7-2009 and thereafter the applicant society approached Dr.NTR University of Health Sciences. The applicant has to approach INC before obtaining affiliation from the Dr.NTR University of Health Sciences.

7. The Chairman, High Power Committee, Hyderabad has observed that if the Government so pleases, the delay may be condoned in view of the circumstances mentioned by the applicant society.

8. Government after careful examination of the matter has decided to revalidate the said orders and accordingly hereby revalidate the orders issued in the G.O 1<sup>st</sup> read above to start the B.Sc. (N) course from the academic year 2010-2011 with an intake capacity of 50 students in Bhaskar College of Nursing, Moinabad, R.R.District, under Joginpally B.R. Educational Society, 6-3-248/3, Road No.1, Banjara Hills, Hyderabad, with the terms and condition as stipulated in the 1<sup>st</sup> read above.
